NOTES TO USERS

For information and questions about this Flood Insurance Rate Map (FIRM), available products associated
with this FIRM, including historic versions, the current map date for each FIRM panel, how to order products,
or the National Flood Insurance Program (NFIP) in general, please call the FEMA Map Information eXchange
at 1-877-FEMA-MAP (1-877-338-2627) or visit the FEMA Flood Map Service Center website at
<http://msc.fema.gov>. Available products may include previously issued Letters of Map Change, a Flood
Insurance Study Report, and/or digital versions of this map. Many of these products can be ordered or
obtained directly from the website.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well
as the current FIRM Index. These may be ordered directly from the Flood Map Service Center at the number
listed above.

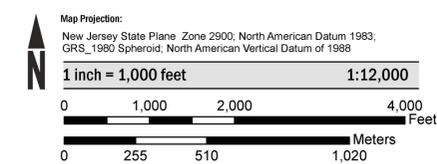

For community and countywide map dates refer to the Flood Insurance Study report for this jurisdiction.
To determine if flood insurance is available in this community, contact your insurance agent or call the National
Flood Insurance Program at 1-800-638-6620.

Base map information shown on this FIRM was provided in digital format by multiple agencies. The
United States Census Bureau provided digital format of base transportation, dated 2013. Political boundaries
were provided by the New Jersey Office of Information Technology, dated 2013. Laser Mapping Specialists,
Inc. collected the LiDAR data between March and April of 2011. The New Jersey Office of Information Technology
provided the ortho imagery for Burlington County, dated 2013.

LIMIT OF MODERATE WAVE ACTION: The AE Zone category has been divided by a Limit of Moderate
Wave Action (LIMWA). The LIMWA represents the approximate landward limit of the 1.5-foot breaking wave. The
effects of wave hazards between the VE Zone and the LIMWA (or between the shoreline and the LIMWA for
areas where VE Zones are not identified) will be similar to, but less severe than those in the VE Zone.

— Limit of Moderate Wave Action (LIMWA)
