

***MINUTES BASS RIVER TOWNSHIP BOARD OF COMMISSIONERS
EXECUTIVE SESSION OF MARCH 5, 2012***

In attendance: Mayor Deborah Buzby-Cope, Commissioner T. Richard Bethea, Commissioner Gary Smith, Township Clerk Amanda Somes and Solicitor.

The purpose of this executive session is to discuss matters ongoing litigation, negotiation, and the attorney-client privilege.

Clerk Somes told the Board of Commissioners that she has received an OPRA request from Mr. Leo Assur. Mr. Assur requests emails sent by the attorney with regard to ordinances 2012-01, 02, and 03. Since these emails fall within one of the exemption categories as attorney-client privilege, the Board must determine if it is appropriate to release these emails to the public. After reviewing the emails the Board felt there was no real need for confidentiality and the emails could be released to Mr. Assur.

No further discussion by Board. Therefore, the motion to adjourn the executive session to enter back into the regular session at 9:44 p.m. was made by Commissioner Smith, seconded by Mayor Cope. All in favor.

Respectfully Submitted
Amanda S. Somes, RMC
Township Clerk

Deborah Buzby-Cope, Mayor
